K-5 Inspire Science 101 Training	Science	Room 604	McGraw Hill	200PM	315PM In this session, participants will engage in learning opportunities to enhance their understanding and instructional delivery of the Inspire Science K5 curriculum. This will include building knowledge of the components used, building a basic understanding of the digital teacher and student center, and an overview of the module and lesson structure. *Attendees will need their printed teacher edition and device.
SPED Standards Teachers - UPAR and Kani (Qual Administration Supports) * optional	SPED	Room 704	Jennifer Bowne and Haine Jones	200PM	315PM
SS Weekly- Get to Know Studies Weekly Print and Online K-5th	SS	Room 613	Dawn Smith	200PM	315PM We will explore some easy instructional tools and strategies that give each child a seat and a voice at the table. Learning can be fun! Make a student artifact, strengthen your synapses, allow new learning to occur, and consequently form some great memories.
Using Your Tools of Instruction with Gbs Smith Education 4th and 5th Grade	SS	Room 709	Kim Moore	200PM	315PM Reimagine your social studies classroom with our custom-made, all-inclusive programs curated especially for South Carolina's 4th-5th grade students. Our inquiry-based programs are designed to help students ask and answer questions, discover possibilities, and research ideas. During this workshop, we will explore using primary and secondary sources, thinking like a historian, improving literacy and study skills while mastering backward and spiraling design lessons. Join me for an overview of our 100% South Carolina standards aligned and state-approved print and digital resources designed to make your life easier by placing the ownership of learning
