*This administrative rule is adopted to implement the district's Internet acceptable use policy. While the rule primarily addresses utilization of the Internet and other electronic on-line connection services, it also applies, where appropriate, to the general use of district-owned computer hardware and software.*

u · · · · ·

*The purpose of the district's decision to provide Internet access is to allow an expanded opportunity for education, research and professional development by providing access to unique resources and the opportunity for collaborative work. All use of the Internet must be in support of education and research and consistent with the educational and staff development objectives of the district. Use of any organizations' network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any federal or state laws or regulations is prohibited. This includes, but is not limited to, copyrighted material, threatening or obscene material, or material protected by trade secret. Violations will result in appropriate disciplinary action against the staff member or student involved.*

*Student Internet activities will be monitored by the district to ensure students are not accessing inappropriate sites that have visual depictions that include obscenity, child pornography or are harmful to minors. The school district uses CIPA approved technology protection measures to protect students from inappropriate access in addition to monitoring.*

*The district will provide reasonable notice of and at least one public hearing or meeting to address and communicate its Internet safety measures.*

*District and school computer technicians who are working with a computer and come across sexually explicit images of children must report this to local law enforcement. The report must include the name and address of the owner or person in possession of the computer.*

*The district will educate minors about appropriate, safe, and secure online behavior,*

*The following guidelines for acceptable use will be applicable:*

- *Users are expected to employ appropriate net etiquette profanity, vulgarity or abusive, inappropriate language is prohibited. Illegal activities are forbidden, including unauthorized access or "hacking" by any users.*

-

*To establish the basic structure for promoting the health and welfare of the district's students by maintaining a safe, positive learning environment for students and teaching environment for staff that is free from harassment, intimidation or bullying.*

*The board prohibits acts of harassment, intimidation or bullying of a student by another student or students, staff or third parties that interfere with or disrupt a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment whether in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event, whether or not it is held on school premises, or at another program or function where the school is responsible for the student.*

*For purposes of this policy, harassment, intimidation or bullying is defined as a gesture, electronic communication or a written, verbal, physical or sexual act reasonably perceived to have the effect of either of the following:*

- *causes or attempts to cause substantial emotional distress to the victim or*
- *places the victim or attempts to place the victim in reasonable fear of personal harm or property damage*

*Any student who feels he/she has been subjected to harassment, intimidation or bullying is encouraged to file a complaint with the principal or his/her designee in accordance with procedures established by the superintendent. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously, but formal disciplinary action must not be taken solely on the basis of an anonymous report.*

*The district prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. The district also prohibits any person from falsely accusing another as a means of harassment, intimidation or bullying, and any student or staff member knowingly violating this prohibition will be subject to disciplinary action as described in this policy.*

*The board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school and district. Any student or employee who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action, up to and including*

*Students, parents/legal guardians, teachers and staff members should be aware that the district may take disciplinary actions for conduct initiated and/or created off-campus involving the inappropriate use of the Internet or web-based resources if such conduct poses a threat or substantially interferes with or disrupts the environment, work and/or discipline of the schools, including discipline for student harassment and bullying.*

*The superintendent will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers and members of the community including its applicability to all areas of the school environment as outlined in this policy.*

*The superintendent will also ensure that an age-appropriate process is established for discussing the district policy with students, as with other aspects of the code of conduct currently utilized during the beginning of each school year.*

*The superintendent will ensure that information regarding this policy is incorporated into the school district's training program and that volunteers who have frequent contact with students are likewise informed of the policy.*

*Information concerning this policy, upon adoption, will be included in the district's code of student conduct for the next year and will be circulated to all administrators. Immediate information will be provided to students by building administrators and to parent groups through reasonable communication methods currently utilized by the various schools.*
