

1. Go to www.acpsd.net
2. Click on the globe.

3. Scroll down to SAM/SMI/SRI. Click "Student"
4. Login using your child's username and password.

Work for on MATH 180

The software should be used in a 25-minute time segment, one time per day. Please ensure there is a "learning environment" during the 25 minutes. Watching TV or other activities are not recommended. Use with headphones or ear buds to listen to the lesson.

*Students are able to access Math 180 on a desktop computer, laptop or tablet.

1. Download app from App Store.
2. Go into iPad system Settings.
3. Click on Math 180 Student App.
